Ref.BACH_OEC2021

Dear Candidate,

You are about to sit for the Bachelor online ESC Amiens entry exam.

As a Candidate, you fully agree to follow the procedure described hereafter:

1. I am alone in a room for the duration of the exam (proof needed). No external help is allowed during face to face exam or written exam exercise or preparation time.
2. I agree to destroy all exam material once the exam is over.
3. I agree to follow the exam schedule. That is to say that I agree to be ready for connection 10 minutes before starting hour and to hand over exam paper when requested. Any delay will lead to an exam stop and cancellation.
4. I agree to make sure the sound and image will be of adequate quality. If ESC Amiens decides the level of quality is not acceptable, the exam will be postponed (one time only).

→ Please sign the Online Exam Charter and email it to Mrs Laurent isabelle.laurent@esc-amiens.com before the exam starts. No exam will start before your confirmation of the 4 conditions listed above.
